

The Profile

OVERVIEW

QHSEF Consultancy is a group company of **S T Prithima Trading Private Ltd** which was incorporated in the year 2011 and provides Services in the field of Quality, Health, Safety, Environment & Fire (QHSEF) and we are the first in the market where we provide each and every solution of QHSEF to the client's company. We make the task much more easy for the client, e.g., by hiring us our client will be saving their time as well as money and hassle of taking interviews, set up of a department of huge overheads, implementations and monitoring, audits, trainings etc..

We offer our client the best service for the QHSEF. We are having a dynamic team right from the top level up to implementations and administration for maintenances of established system. In **QHSEF Consultancy** everyone is expert in their work and field.. Our range of services are Consultancy, Trainings, Auditing, Performance Reviews, Certifications.

We are expert in the constructions, infrastructures, commercial and residential establishments, industries and factories etc. We assure and promise our best services to our client. Whilst we have experience of working for National and International clients, we provide Services to businesses of all sizes.

MANAGEMENT

We are the pioneer Consultant and Turnkey Service provider in Project Management Consultancy of Quality, Environment, Health, Safety and Fire.
